CORRECTIONS IN ENGROSSED BILL H.R. 4018

Oct. 18, 1977

[S. Con. Res. 58]

Resolved by the Senate (the House of Representatives concurring), That the following language be inserted immediately after section 141 in the engrossment of the Senate amendments to H.R. 4018 and be considered as being in conference:

Sec. 141A. No action by the Federal Power Commission pursuant to this or any other Act shall, directly or indirectly, take from a natural gas distribution company any volumes of gas which such company demonstrates resulted from energy conservation measures: *Provided, however,* That such conserved volumes shall be applied first to existing residential customers, second to existing small commercial customers, third to existing industrial customers with nonsubstitutable natural gas requirements, and fourth to other customers.

For purposes of this section, the term "natural gas distribution company" means any utility which sells natural gas.

For purposes of this section, the term "energy conservation measures" includes but is not limited to measures taken pursuant to a residential energy conservation plan as defined in the National Energy Conservation Policy Act.

Agreed to October 18, 1977.
